<p>AW LLC Nashville, TN, United States</p> 	<p>AW LLC is jointly owned by Aier USA and Dr. Ming Wang, Harvard & MIT PhD and one of the most famous ophthalmologist in US. AW LLC is a healthcare management company, which renders management, administrative, purchase service and support needed to facilitate Wang Vision Institute. Wang Vision Institute is a world-class, state-of-art eye surgeon center that has gained international reputation since 2002 by providing LASIK, cataract and presbyopia surgery to high-end market.</p>
<p>Clínica Baviera Spain, Germany, Italy and Austria Europe</p> 	<p>Founded in Valencia in 1992 and based in Madrid now, Clinica Baviera is the largest ophthalmic clinic provider in Europe with more than 900,000 treatments performed. It offers treatments to solve most of the eye pathologies, including Laser Vision Correction, Intraocular procedures and Other pathologies. The chain has 76 clinics and 280 physicians, covering 4 countries and benefiting more than 200 million people in Europe. Clinica Baviera runs three different brands separately in the existing market.</p>

Our University and Institute	
<p>Aier Ophthalmology University</p> 	<p>Jointly established by Central South University and Aier Eye Hospital Group, Aier Ophthalmology University is China's first professional ophthalmic college with advanced vision, open mind and innovative ideas. The college is a joint platform with good resource from both the parties and 30 postgraduates and 10 doctoral students will benefit from it annually.</p>
<p>Aier Optometrist Institute</p> 	<p>In July 2014, Aier Eye Hospital Group and Hubei Institute of Science and Technology jointly set up Aier Optometry Institute to cultivate professionals meeting the demand for optometry talents. Teaching subjects include optometry, binocular vision, low vision, contact lens fitting and glasses processing. Aier Eye Hospital Group provided 1000 square meters of Xianning Aier Eye Hospital as teaching venues and also teaching-related equipment. 50 visual graduates will benefit from it every year.</p>
